and further testify that in response to the question of alleged offender's lawyer

I am holding a position of Deputy Commander of Transport Division. Previously, I held a position of the Head of Laemthian Port and Thungprong Port. Thungprong Port was used to transport ordnance and explosive. Laemthian Port was used to moor warship.

In the beginning of 2007, Admiral Navy Santikanavin asked me whether Thungprong Port could be renovated to moor a submarine or not. I replied that if renovated, the submarine could be moored. I prepared for their survey. Admiral Navy said that he would bring a foreigner to survey it, probably a Russian national, but nobody came to survey it. I asked Admiral

(Testimony of Captain Anurak Prom-ngam)

Navy, and I was told that the man who was going to conduct the survey was arrested. The submarine project was in accordance with the royal observation of H.M. the King as of 4th December 2006 which the submarine would be prepared. I had no idea who was the person contacted by Admiral Navy.

In response to the petitioner-public prosecutor's question
